Subject: Benton Harbor Update
Attachments: Draft for Weekend Briefing Book 9.17.21 pm (EJC questions).docx

Hi Radhika:

I'm attaching a draft briefing memo on Benton Harbor. I included a version with my comments for context – turn them off if they are confusing. The career staff is still fine-tuning the details of the water delivery options paper. It is linked in the attached memo.

Based on the memo and my conversations with the career staff, this is my take on the status.

Ex. 5 Deliberative Process (DP)

I will work to confirm all of this before we talk this weekend. We also have time on Monday to confirm with the team.
